SHENZHEN SAILS RFID SMART CARD
TECHNOLOGY CO., LTD.

Zhengtailai Business Building, Xixiang Avenue 331,
Bao'an District, Shenzhen, China

Place Utrecht
Date 25 March 2025

**ICAR Certificate of Conformance with ISO 11784/11785
of injectable transponder FDX-B 12x2.12mm**

This certificate is valid for five (5) years from the date of this letter.

ICAR, as the Registration Authority of ISO for testing and certification of RFID devices for animal identification, is pleased to issue this letter as the ICAR certificate for the above device which successfully passed the test laid down in ISO standard 24631 "*Radio frequency identification of animals – Part 1: Evaluation of conformance of RFID transponders with ISO 11784 and ISO 11785 (including granting and use of a manufacturer code)*". The test report is attached (**report number 2025-09 by IMA-Wageningen, The Netherlands**).

ICAR registers the above device under the **shared** manufacturer code **901** with product code **901024**. **The allocated range of individual identification codes is from 901.024.000.000.000 to 901.024.000.999.999**. The RA registration is for the lifetime of the device.

Please note that the use of the manufacturer code and the product code is under the conditions for the right to use codes granted by ICAR. See annexes B, C and E of ISO standard 24631-Part 1 and the ICAR Guidelines, Section 10, [Procedure 2](#) 'Granting of Manufacturer Code'.

If there are any questions, please feel free to contact us.

Best regards,

Martin Burke
ICAR *Interim* Chief Executive

Cc: Members of the ICAR Sub-Committee on Animal Identification
Pieter Hogewerf, Chair of ISO/TC23/SC19/WG3

Important note: ICAR would like to alert users to the increasing cases of falsified Certificates found on the market. In order to verify that a product is certified, please always check the ICAR website at www.icar.org and/or scan the QR code found here.
